**Re:** Gold King Mine

Hi Clancy,  
I want to close the loop on this email "Subject: Jamie Raymond, EPA Toxicology Expert".  
Does your message of this morning (attached) cancel the request from the email "Jamie Raymond, EPA Toxicology Expert" below?  
Your email this morning stated: "I have not heard anything more from Navajo EPA about the need to consult with you in Window Rock, so I think we can stand down on that one for now." (See your email attached).

Thanks,  
Jamie Rayman
